

Fast-Fold® Deluxe

Portable folding screen up to 427 cm widths for use at any location

Lightweight folding frame which is easy to set up without the use of tools.

- The Fast-Fold® Deluxe consists of a folding aluminium frame (32 x 32 mm), two detachable legs and a detachable projection screen surface which is attached to the frame by snaps.
- The Matte White projection screen surface includes black backing as standard.
- The frame height is adjustable to any required viewing height in increments of 15 cm.
- The Fast-Fold® Deluxe is supplied in a sturdy plastic travel case on wheels as standard.
- Drapery Presentation Kit, which is easy to attach to the frame, is available separately.
- All projection screen surfaces are seamless.
- Flexibility for use in front or rear applications with Matte White, Da-Tex®, Dual Vision and Ultra Wide Angle projection surfaces.

Also available:

- Replacement screen surfaces
