

**ERARD®**  
PRO

# OUTDOOH - 46" AND 55" OUTDOOR KIOSK FOR SAMSUNG OHF SCREENS

REF. 665155

## DESCRIPTION

ERARD PRO supports you in all your indoor and outdoor digital signage projects with a wide range of solutions.

We developed a real know-how in enclosures for an outdoor application. **Outdoor kiosk, OUTDOOH, was especially designed for OH46F and OH55F Samsung screens.**

## Outdoor kiosk

Available in **mobile or free stand version**, this totem gets a **surface treatment for outdoor use** and is **closed by 4 locks** preventing your material from theft. To protect your Samsung 46" and 55" screens, a **4mm tempered glass** is available. You can also opt for a **anti-reflective tempered glass** to ensure a better visibility of your content.

In brief :

- Outdoor kiosk
- For Samsung OH46F and OH55F screens - portrait orientation
- Steel base, front and back cover in epoxy paint
- Screen mount with adjustment included
- Anti-theft with 2 locks
- Cable outlet under the totem

- Fixed or mobile with 4 wheels
- Anti-corrosion treatment

### Options:

- 2 screens back to back
- 4 mm tempered glass, anti-reflective in option
- Other colours
- Cable outlet at the back of the totem
- PC holder
