

TABLE TOUCH

Suitable for screen from 43" to 65"

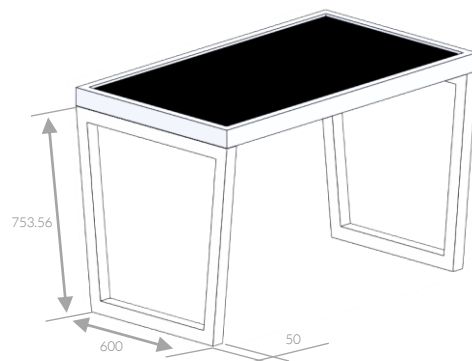

OMB touch monitor tables are the right mix of elegance and practicality. They are adaptable to house monitors with sizes from 43 to 65. The solid legs in painted iron can be black (RAL9005) or white (RAL9016), but on request it is possible to customize them with your favorite color.

Designed to be customized

These TABLES TOUCH are custom made according the used model and type of screen. Please contact us for more information

The images are for simple indication. Each monitor housing is designed on specific customer request

The design of the tables may vary according to the needs of use or the environment. If you need a particular design, contact us to check the best solution for your needs.
